

Dilbert's Mom

Where: Bubbling Muck

While Dilbert's away at work, and his father's at the mall, I like to play all sort of different ball games...what did you expect? I stay home and cook? You deserve a swift kick.

In the grid below, each line consists of two sports separated by a ball. Each sport is concealed by replacing up to half of its letters (rounding down for odd words). The letters that should appear are listed below the grid alphabetically.
