Dear President George %&@^:

While attending one of the many recent gala %!!(@ that your wife likes to hold, I noticed your daughters wearing some %((# sapphire pendants and other \$!&\* (^ &#@#(@ from the Bush collection - diamond rings (what huge \$((#\*@) and white )#!\$\$ ( ^##\*(!##@. Your Vice President ##\*\* Cheney, who told me he's a big @#!!% \$!^ (love that Ella!), told me that I would enjoy the %(@ (&^#^ prepared for the guests, especially the packet of chips and carton of milk.

What lovely %!(((((^@ your wife had! She pulled off some great %\$\$\*##@, making dogs, bicycles, and slithering @^!\*\*#@. The desserts were wonderful, especially the #^#\$\$^^ cobbler (did she use bings or maraschinos?) The %(@@## @!(!# used wonderful greens like radicchio and escarole. The %###\$ Wellington was wonderful with just the right amount of heavy #\$\$#!&.

My one complaint was that my \$!\*\*^#(!% (it was really pouring that night!) was stolen from your bedroom. As it (!^^ there on the bed, some thief decided to @^!%#^ it. I'm not too concerned, I have @\*@%^^\*^## more of them at home.
