

Axel Hoppers Lament

Where: Skating Rink

Several miles from the center of the island, natives are participating in a figure skating contest. They seem angry when they see the judges' scores, shouting out words that you think mean something else. You wish you knew what the goal was with such misdirection...such minor trickery doesn't seem completely professional.

The Judges

- Composer Gustav
- Author Roald
- Newscaster Lesley
- Explorer Thor
- Artist Frida
- Shah Mohammed Reza
- Actor/Singer Marky-Mark
- Comedian Mort
