

Oyster Shells

Where: Icy Shore

Judges Score: 4.2

A woman appears before you on the shore, holding oyster shells. "I'm trying to match up what's on the top of the oyster and the bottom, and see if there's a pearl inside. But it looks like I'll need to look through them all." You offer to help, but she warns you instead to watch out for snakes.

| Outer Shell | Top of the Oyster | Bottom of the Oyster |
|---|--|------------------------------------|
