

What's on the Radio?

Where: Parking Lot

Judges Score: 4.1

As you drive around this part of the island, you opt for a little music. The three international passengers you're with want to know what you're listening to, but something gets lost in the translation.

1. I regard the crushed velvet seats of you as its [title word] roze, which puts up in the back, which separates underneath the road (*--- -----* --)
2. They want to make you are the distance around [title word], the distance of [title word] the distance (----*-- ----*)
3. So much up to ziens at the wrong [title word] flat sheet paste [title word]. Mine, if chevy at the stand swam, but the stand was drying (-*----*- ---)
4. A foot on the brake and on the Gashey! Well there the surplus traffic me cannot n ignore! Thus I tried to think black my better illegitime movement and the space bar comes again and my groove concerned! (- ---'* ----* --)
5. I was cruisin ' in my Stingray leave unfortunate to this time a XKE on the right taken away, and the window of its new shining point rolled downward, and I at an obstacle provoked then and there (---- ---'* *----)
6. Ooh ooh you do not know a day its richement, but you to become let tell ya are better it, how diggin ' ain ' t closed there tellin ', at which you movie Van A could perhaps even meet the star or an Indian high-level personnel (-** --*-)
7. As a connection of the gypsies we will insist us again underneath the [title word] best of the friends erop, which is to be like the world turnin ' our kind (** --- ---- -*---)
8. If past the young kids me to swim it it spit and cuss, because [title] and it had to put me up the regular buses (-**-*'-' -----)
9. We are not anywhere on us parties sums on us parties sums nowhere on part come [title word] there also a city in my opinion and take this distance, and already are the right it, the baby already are the right it (---- *- *-----)
10. it has now by the Hamburg grandstand crossed seems it forgets it regarding the library, if it told its old man now (--, -*-, ---)
11. It motivated thus on the hill I has, there [title] in a DeVille blow an equilibrium of Cadillac on the old way of the small valley toward the exterior swims functions my v - to 8 Fords (*--*-----*)
12. A slowing down in Bronx in fight exploded there Brooklyn (--* -*, ----- ---?)
