

PUZZLES HAVE NEVER been scarier. Someone and someone else must team up and stop some other person and some army of somethings. Watch the first someone use a trusty something to foil the third person's evil plan involving something, all while being somewhere! And it's something you won't believe! Written by someone and directed by you!

"I hated, hated, hated, hated this film."
— Roger Ebert

"So awful I walked out."
— Gene Shalit

"Like House of The Dead, but without the charm."
— Richard Roeper

"There is no puzzle on this side."
— Tristan Gregory
